November 13-15, 2015, Daytona Beach, FL - marks the date of the most important event in the almost 20 year history of the IACN: The 2015 IACN Educational Symposium, Business Meeting, Banquet & Awards Ceremony. IACN leadership strongly urges attendance by all IACN members. The three day symposium offers 22 hours of CE*. Please do whatever you can to attend this important, yet elegant event.

As a loyal and dedicated member of the IACN, you are being invited to attend the meeting, for a limited time, at a special PRE-REGISTRATION price of \$295. The tuition INCLUDES a ticket to the Saturday evening carved prime rib banquet and awards ceremony which will be held atop the Shores Resort & Spa overlooking the ocean (see picture above).

This special tuition offer of \$295 will strictly end on August 1, 2015. The early registration price (for IACN members) will be \$349. Regular tuition is \$395 for IACN Members and \$470 for non-members.

Classes will be held on the campus of [Palmer College of Chiropractic - Florida](#). Your symposium folder will contain all slides as E-notes (also downloadable prior to the symposium). There will be plenary sessions, but on Saturday there will be two simultaneous advanced classes offered in electrodiagnosis and neurology. Program participants will have a choice as to what lecture topic holds the most interest to them.

Faculty will include internationally respected leaders in chiropractic neurology and electrodiagnosis. A panel of experts in chiropractic neurology and electrodiagnosis will round out the day with an interactive discussion of videotaped patient encounters, including the use of electronic audience participation devices ("clickers").

The Friday Night Reception, and the Saturday Night Banquet will be held along side of "The Most Famous Beach in the World", the [Shores Resort and Spa, Daytona Beach Shores, Florida](#). J. Donald Dishman will host the Saturday Banquet & Awards Dinner.
