**Subject:** IACN - NEW MEMBER SERVICES  
**Date:** Tue, Mar 10, 2015 12:00 pm

---

**Dear Joseph Ferezy,**

Just a quick note to advise you of some new member services available to IACN members, as well as send you back to the [iacn.org](http://iacn.org) website to see all of the changes. Currently, the IACN has over 50 eligible voting members, and not a day goes by without another doc inquiry or joining. Doctors of Chiropractic from 13 US States and 3 Countries have joined the IACN, and WE THANK YOU ALL FOR YOUR WONDERFUL SUPPORT! We are listening, we hear you, we are already making important strides, and we will not let you down!

1. NEW - [IACN Membership Discussion Forum](#) - Talk to other IACN members about topics ranging from IACN activities to diagnosing and managing a patient with Chronic Inflammatory Demyelinating Polyneuropathy. Our forum will be moderated by [Dr. Micheal Major](#), a chiropractic neurologist with extensive experience in electronic communications.
2. NEW - [IACN Home Page](#) - Now includes links to [Symposium 2015](#), [IBCN Diplomate Examination](#), [Upcoming Events](#), Recent Forum Updates and our "Featured Member".
3. NEW - [IACN Leadership Page](#) - It is easy to get in touch with your IACN Board of Directors (BOD). Let us know your concerns (and adulation's), or just drop us a note to tell us how you think we are doing. We are committed more than ever to move IACN rapidly into becoming the premiere organization representing chiropractic and the clinical neurosciences.
4. NEW - IACN Examining Board Links - These will inform you of activities of your IACN Examining Boards, [The International Board of Chiropractic Neurology \(IBCN\)](#) and [The International Board of Electrodiagnosis \(IBE\)](#).
5. NEW - [Newsletter Archives](#) - In case you missed any of the information, take a look at all 2015 IACN Newsletter's and Alerts.
6. NEW - [2015 Symposium & Banquet](#) - November 13-15, 2015, Daytona Beach, FL - marks the date of the most important event in the almost 20 years of IACN history, the IACN Educational Symposium, Banquet & Business Meeting. In light of this, we promise an elegant event. Classes will be held on the campus of Palmer College of Chiropractic - Florida (hotels don't have dissection laboratories - at least not the nice ones). Note portfolio's with included e-notes (also downloadable prior to the symposium) and customized name badges will be provided. There will be plenary sessions, but most of the time there will be simultaneous classes and you will have a choice as to what lecture topic holds more interest to you. The Friday Night Reception, and the Saturday Night Banquet will be held in the luxurious resort location of "The Most Famous Beach in the World", Daytona Beach, Florida, and held in one of the finest ocean side hotels.

Visit his site regularly to keep abreast of speakers, subjects, notes, and tuition discounts (IACN members, early registration, etc.). The entire lecture schedule is in the final stages of solidification, and the complete listing for the dual track symposium will be posted shortly. We currently have firm commitments from 8 speakers, but still have a couple of outstanding invitations.

As you might imagine, putting together a program of this magnitude is a tremendous amount of work, but it will be worth it! You will be able to register for the classes, get your hotel room and pay for everything completely online, and through your IACN account for special discounts if you are an IACN member. Those IACN Members registering for the symposium before May 13, 2015 will receive a super special low tuition rate.

There is even more going on behind the scenes as well. IACN is launching a major membership drive, streamlining and simplifying IACN operations, holding BOD elections, looking at how IACN members are treated in each US State and internationally, negotiating a discount on goods and services for IACN members, engaging the IACN internationally, and other areas too numerous to mention. We want everyone to be very proud of your new IACN!
