

The 2016 IACN Educational Symposium, Business Meeting, Banquet & Awards Ceremony

Again anticipating the largest event in IACN history (by far), this three day symposium **will offer 40 hours of CE* in as many as four separate educational tracks.** As a member of the IACN, you are being invited to attend the meeting, for a limited time, at a special ONLINE PRE-REGISTRATION price of \$349. The tuition INCLUDES a ticket to the Saturday evening banquet.

This special online tuition offer of \$349 will strictly end on August 1, 2016. So, REGISTER NOW!!! The registration price after August 1, 2016 (for IACN members) will be \$399. Tuition for non-members is \$499.

Classes will be held on the campus of Palmer College of Chiropractic - Florida. Your symposium folder will contain all slides as E-notes (also downloadable prior to the symposium). There will be plenary sessions, but there will be up to four simultaneous educational class tracks offered in electrodiagnosis, neurology and even a track for required FL license renewal hours**.

Faculty will include internationally respected leaders in chiropractic neurology and electrodiagnosis. Concise topical lectures by leading faculty, a “hands on” neurological examination laboratory, and an optional brain dissection class are all new additions to our program. We still employ the use of electronic audience participation devices ("clickers") to add interactive discussion.

The Friday Night Reception, and the Saturday Night Banquet will be held along side of "The Most Famous Beach in the World", at our new venue, the brand new,

Residence Inn By Marriott - Daytona Beach Oceanfront in Daytona Beach Shores, Florida. Dr.'s J. Donald Dishman and Joseph S. Ferezy will host the Saturday Banquet & Awards Dinner.

SPECIAL GUEST SPEAKER*:**

Sajeev D. Nandedkar, Ph.D.

(10 CE) – Advanced Electrodiagnosis
