Dr. Dickerson,

The Alaska Board of Chiropractic Examiners received your letter dated 10/13/2015 in response to a request for additional information required under 12 AAC 16.047 for specialty designation approval. The request was initiated by a recently licensed Alaska chiropractor who was seeking recognition as a chiropractic neurologist through your organization. At its most recent meeting on January 22nd, 2016, the Board reviewed the details of this program provided in your October letter. On Behalf of the Board, I am pleased to inform you that the International Board of Chiropractic Neurology has been approved as an Alaska Specialty Program. Regulation changes are required to add your organization to the official list of approved programs under 12 AAC 16.048, with your organization will be included in the Board's next regulation project.

Thank you,
